

EMENTA

Essa disciplina tem por objetivo apresentar debates acerca do conceito e das práticas de reforma do setor de segurança em países que se encontram em situação de pós-conflito e/ou pós-autoritário, salientando as diversas contradições, deficiências, complexidades e avanços obtidos ou ainda necessários nessa área de estudo. Serão ainda explorados o contexto, a relevância e validade de se reformar o setor de segurança de países com essas características, assim como o papel dos atores externos nesses processos e suas implicações para a estabilidade regional e Internacional.
